

I remember when...

Do you have an interesting story or memory of life growing up in Perenjori and surrounding areas?

Is there a place or event that you recall?

Does your family have a special story that you wish to share?

I remember when ... is a project by the Perenjori Public Library

Memories can be as brief as a few sentences or more. Old photos for scanning are especially welcomed. Your stories will then be preserved in the Perenjori Heritage Collection.

Contact Teegan Hickey on 9973 1002 or email reception@perenjori.wa.gov.au for a *Memories Form*, or for more information.
