Executive Summary
This report recommends the endorsement by the Council for the creation of a Reserve Account for the holding of funds for the Public Infrastructure Fund Reserve as part of the Mount Gibson Mining Public Benefit Agreement.

Background
At a Special Meeting of the Council on 7th August 2008 the Council endorsed the Mount Gibson Mining Public Benefit Agreement between MGM and the Shire. This Agreement was subsequently signed on 17th September 2008.

Item 4 of this Agreement required the establishment of a Reserve fund by the Shire to be named the Public Infrastructure Fund Reserve which was to hold funds provided by MGM for the purpose of “supporting the acquisition, restoration, extension or improvement of assets including but not limited to public buildings, recreation facilities, parks and gardens, power supply, water supply, land, drainage or roads.

Though the Agreement was approved and signed off by the Shire, the formation of the Reserve was never actually documented and endorsed by the Council. The Shire auditors UHY Haines Norton have commented during their recent audit that this Reserve needs to be established and the funds held there and accountable in the usual reporting processes.

Previously the funds received under the Agreement were held in an external Trust Fund which was not in accordance with the Agreement and being Shire controlled funds, should have been held in a Shire controlled account. Endorsing of this Reserve Fund will allow the funds to be deposited in the Reserve Fund for distribution in accordance with the Agreement and which will be subject to the statutory Reserve reporting processes.
