**15092.3 REVIEW OF TRAVEL FEES**

- **APPLICANT**: Shire of Perenjori
- **FILE**: ADM 0311
- **DISCLOSURE OF INTEREST**: NIL
- **AUTHOR**: Peter Money – MCDS
- **RESPONSIBLE OFFICER**: Peter Money MCDS
- **REPORT DATE**: 17th September 2015
- **ATTACHMENTS**: NIL

**Executive Summary**

This item recommends that the Council adopts the travel fees as determined by the Salaries and Allowances Tribunal (SAT) on 17th June 2015.

**Background**

The Local Government Act allows for elected members to claim an allowance per kilometre for the use of their own vehicles for actual kilometers travelled by members to attend any official meeting of the Council.

Auditors also require that elected members complete and sign their own declaration forms and attest that the kilometers they are claiming were actually travelled.

The same declaration is made by any employee of the Shire who, with approval of the CEO, uses their own vehicle for travel approved by the CEO.
Because of the importance of ensuring claims for travel are compliant, I confirmed with WALGA prior to budget adoption to confirm that Schedule F of the Public Service Award 1992 was still applicable when determining the rates for travel.

In accordance with that advice the Council adopted the following “Travel costs to be calculated at the same rate applicable to the reimbursement of travel costs in the same or similar circumstances under Schedule F of the Public Service Award 1992 issued by the Western Australian Industrial Relations Commission as at the date of this determination.”

Since the budget was adopted the SAT has amended its ruling on the payment of fees and travel costs that affects elected members and employees and has ruled that “travel costs incurred with the use of a privately owned or leased vehicle (rather than a commercially hired vehicle) are to be calculated at the same rate contained in Section 30.6 of the Local Government Officers (Western Australia) Interim Award 2011 as at the date of this determination.”

The Local Government Officers Interim Award rates are as follows:

<table>
<thead>
<tr>
<th>Area</th>
<th>Over 2600cc</th>
<th>Over 1600cc to 2600cc</th>
<th>1600cc and under</th>
</tr>
</thead>
<tbody>
<tr>
<td>South West</td>
<td>93.97</td>
<td>67.72</td>
<td>55.85</td>
</tr>
<tr>
<td>Land Division</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

These above fees will also apply to elected members and employees who make a claim for kilometres travelled for approved Council or business purposes.

**Statutory Environment**

In accordance with the SAT decision 17th June 2015

**Policy Implications**

Nil

**Financial Implications**

The only free greater than that already paid is for vehicles over 2600cc and as the travel costs for elected members is not excessive the overall financial implications (depending on the number of meetings attended) will be around $2,000 - $4,000 annually.

**Strategic Implications**

Area 5: Investing in Councils Capacity – Our Leadership

Goal: Strengthen the Shire’s position as an innovative, independent local Government providing excellence in all areas of governance, management and leadership.

**Risk Management**

This item is to formally adopt fees that are already set by the SAT and therefore there are no risks to the Shire in any respects.

Executive Summary
This item seeks council’s approval for the Disability Access and Inclusion Plan progress report for 2014/2015.

Background
Public authorities (State Government agencies and Local Governments) in Western Australia have been required to have Disability Service Plans (DSPs) as part of the Disability Services Act (1993). DSPs have been in place for over 10 years, and a great deal of progress has been made by State and Local Government towards ensuring that their services, buildings, and information are accessible to people with disabilities.

Council endorsed the Disability Access and Inclusion Plan in June 2013:

COUNCIL RESOLUTION – Item 13062.3

Moved: Cr L Butler
Seconded: Cr J Cunningham

Council adopt the proposed Draft Disability Access and Inclusion Plan.

Carried: 6/0

Under the Disability Services Act 1993 (amended 2004), the Minister for Disability Services is required to table a report in Parliament each year on the progress of Disability Access and Inclusion Plans (DAIPs) in Western Australia.

The information provided by public authorities will inform this report for 2014–2015 and show how DAIP strategies have been progressed to meet the desired outcomes as required in the Act. This includes services to the public delivered by agents and contractors as specified in the Disability Service Regulations.

Agents, Contractors, funded and sponsored agencies can include non-government and not-for-profit organisations and businesses that undertake work on behalf of a public authority involving interaction with the community. Contracted employees should not be considered as contractors for
this report.

While many strategies supporting DAIP outcomes have an ongoing effect, strategies are reported as being completed in 2014–2015 if they were implemented as intended during the year.

In addition to compliance with the Act, the DAIP progress report helps identify best practice and showcases innovative ideas that assist the development of resources and information-sharing.

The following provides details of this year’s progress report to the Disability Services Commission:

**Statutory Environment**
The Disability Services Act was amended in 2004 and now requires public authorities to develop and implement Disability Access and Inclusion Plans (DAIPs). The requirements of DAIPs build on those of DSPs, so that people with disabilities can access services provided by public authorities in Western Australia in a way that facilitates increased independence, opportunities and inclusion within the community.

The Act makes DAIPs mandatory, and guides their development, implementation and reporting. The Act also requires that DAIPs apply to agents and contractors providing a service to the public for public authorities as well as the staff of the authority.

Section 29B of the Act states “a public authority that has a disability access and inclusion plan must take all practicable measures to ensure that the plan is implemented by the public authority and its officers, employees, agents or contractors”.

The Act’s associated Regulation 8 states “Information in reports about disability access and inclusion plans (s. 29). For the purposes of section 29(4) of the Act, a report about a disability access and inclusion plan must include information relating to:

a) Progress made by the relevant public authority and any agents and contractors of the relevant public authority in achieving the desired outcomes specified in Schedule 3; and

b) The strategies implemented by the relevant public authority to inform its agents and contractors of its disability access and inclusion plan”.
