This item seeks council to receive the interim audit results for the year ending 30 June 2018.

**Background**

The interim audit has been completed in accordance with the audit plan. The focus of the interim audit was to evaluate the overall control environment and to obtain an understanding of the key business processes, risks and internal controls relevant to the audit of the annual financial report.

**Management Control issues**

Four areas of deficiency have been raised with one significant rating and three moderate ratings.

**Preparation and Review of Bank Reconciliations**

It had been found there were inconsistencies in the use of bank reconciliation procedures which can increase the risk of fraud, errors and omissions remaining undetected, along with the risk of non-compliance with the Local Government Regulations.

It will be important for Management to ensure staff are equipped to complete the reconciliations on a monthly basis and to ensure a review of these occurs by an independent staff member.

**Review of Payroll reconciliations and payroll variance reports**

It has been raised for the need to have reports independently reviewed and signed off by a senior management person. This practice is now in place.

**Notice of Change of Fees and charges**

New fees adopted in September 2017 were not publicly advertised as required by the Local Government Act. This has been noted and assigned to an employee to ensure this does not slip by again.

**Statutory Environment**

- Local Government Act 1995, section 7.12A
- Local Government (Audit) Regulations 1996
- Australian Auditing Standards.
