19051.6 PUBLIC QUESTION TIME

- **Q1.** Robin Spencer:
  (Regarding Council Motion 19043.1.1 - Special Council Meeting 24/4/19)
  
  A. Which future funded projects and community facilities will be cut to fund the budget allowance of $350,000 to cover costs not covered by LGIS?
  
  B. Why is a councillor, who has declared a financial interest in Item 19043.1.1, allowed to stay in the room and vote?

- **A.** Response from the Shire President Laurie Butler:
  
  Cr L Butler stated that the Shire needs to be financially responsible. Some budgeting cuts may be necessary. For example: in order to obtain funding of $350,000, rates would need to increase by 13%, or 18% to achieve $500,000. The current rates are proposed to increase by 2.8%.

  **Response from the Shire CEO Paul Bawden:**
  The Shire is currently considering various options and will address these with Council during preparation of the 2019/2020 Budget.

- **B.** Response from Councillor Kirk Pohl:
  
  Cr K Pohl explained, with regard to the Special Council Meeting of 24th April 2019, that he completed the declaration form incorrectly and he does not have a financial interest in the matter.

- **Q2.** Jude Sutherland:
  
  A. What percentage would rates have to rise in 2020 to cover a budget allowance of $350,000?
  
  B. I would like to know how the budget allowance of $350,000 was calculated?

- **A.** Response from the Shire President Laurie Butler:
  
  The answer is the same as Q1A, that the Shire needs to be financially responsible. Some budgeting cuts may be necessary. For example: in order to meet funding of $350,000, rates would need to increase by 13%, or 18% to achieve $500,000. The current rates are proposed to increase by 2.8%.

- **B.** Response from Councillor Jo Hirsch:
  
  Cr J Hirsch stated that $350,000 was simply a “ball-park” figure to work with and to provide an example. Cr J Hirsch is concerned about the unbudgeted costs to the Shire and wished to alert the Shire Auditors to the situation. Cr J Hirsch considers the Shire’s financial health is a priority and would like the Shire to be prepared.
• Q3. Janice Spencer:
  A. The mobile service on our farm has not changed or maybe actually worsened – has the upgrade been completed for Perenjori?

We are 7 kms down the Old Perth end of the farm and the mobile service is not there.
We have done a drive around the farm today and found various locations with no service to 1 bar of 3G, 1 bar of 4G.
I have sent a report and a screen shot with compass to CEO, and Councillor Hirsch who rang last night as a follow up from previous phone call regarding mobile service.

B. The case for Ivan Wells has been going on for some time now, and it has affected his health considerably, also leaving him homeless and penniless. It is such a disappointment the way the Perenjori Shire has treated this man knowing what he has done for the community in his time as a resident of Perenjori. I, and many others, want this W-Comp claim resolved immediately so he can get on with his life doing what he does and loves best.
The Shire has admitted publicly the mistakes and treatment of Ivan while employed by the Perenjori Shire, also advice given by previous Acting CEO’s seems to have just been ignored, and prolonging this could be a huge cost to the Shire.
How much longer do you think this case can go on for?
This case and the inquiry results from the previous CEO, Ali Mills, is causing so much grief in the community, which is holding up progress for Perenjori.

• A. Response from the Shire CEO Paul Bawden:

The CEO Paul Bawden replied that the mobile drop-out appears to be a Telstra issue. The Shire has been researching whether any other property owners have issues with their service affected but the Spencer’s so far are the only one. The CEO Paul Bawden is in communication with Telstra and will follow up on the issue.

• B. Response from the Shire CEO Paul Bawden:

The CEO Paul Bawden explained this is a legal matter and the Shire is working closely with LGIS. Offers have been forwarded to Mr Wells by the Solicitors and that all parties are hopeful for a satisfactory settlement, resolution and reconciliation.

A careful review has been undertaken of the fees and charges. Many of the fees have only been increased by the minimum rate to keep the cost low to the community however it does not reflect the cost to council of providing the service.

19055.1 PERENJORI SUPERMARKET WORKING GROUP MEETING 3 MAY 2019

APPLICANT: SHIRE OF PERENJORI
FILE: ADM 0556
DISCLOSURE OF INTEREST: NIL
AUTHOR: PAUL BAWDEN - CEO
RESPONSIBLE OFFICER: PAUL BAWDEN - CEO
REPORT DATE: 16TH MAY 2019
ATTACHMENTS: WORKING GROUP NOTES

Executive Summary
This report outlines the matters considered at the initial meeting of the Perenjori Supermarket Working Group held on 3 May 2019.

Background
Following the Perenjori Supermarket Community Meeting held on 10 April 2019 a report was submitted to the subsequent Council Meeting on 18 April 2019 when it was resolved:

That Council:
1. Notes the outcome of the Community Meeting on the need for a Perenjori Supermarket, held on 10 April 2019.
2. Endorses the establishment of the Perenjori Supermarket Steering Committee based on the principles in the report together with a local business representative(s) and nominates Cr. Lisa Smith and Chief Executive Officer as its representatives.
3. Seeks ongoing reports on the delivery of a re-established Perenjori Supermarket.

Comment
The initial meeting of the Perenjori Supermarket Working Group was held on 3 May 2019 with the Meeting Notes comprises an attachment.

The Working Group membership is Cr. Smith, Cr Pohl (local business representative), Phil Logue and Dael Sparkman (Perenjori Progress Association) and CEO Paul Bawden.

Key matters considered were:
- Commercial and cooperative models for operating a supermarket and need for data on regional experiences.
- Preferred location for a supermarket in Perenjori.
- Potential financial contributions.
- Proposed character of communication during the life of the Working Group.
- Liaison with media.
- Recent external correspondence and meetings on the initiative.
- The next Meeting is to be arranged for late May.
Statutory Environment

The Shire can support the provision of commercial activities such as a supermarket under the Local Government Act. The specific approach would need to be monitored as the initiative is progressed.

Policy Implications

Nil.

Financial Implications

The financial implications will be influenced by the delivery model pursued, contract provisions and risk management e.g. Council participation in a cooperative model would likely have higher financial implications than a facilitated commercial lease.

Strategic Implications

The proposed initiative is consistent with the Strategic Community Plan, although the current situation with the Supermarket was not envisaged:

Area 3: People and place – Our Community.

Goal: Demonstrating a high quality of life for all, offering relevant activities, facilities and services to enable people to meet their needs and achieve their potential.

Objective: Continue town revitalisation.

Measurement: New retail offerings to plug leaks.

Shire of Perenjori  Ordinary Council Meeting  
MINUTES  16th May 2019

Perenjori Supermarket Working Group Notes  
Meeting 3 May 2019

Present: Cr. Smith; Cr Pohl (local business representative); Phil Logue & Dael Sparkman Perenjori Progress Association and Paul Bawden CEO.

Cr Pohl proposed that Cr Smith be the Chair - this was endorsed by the Committee.

1. Previous documentation: Community Meeting Notes of 10 April 2019 and Council Meeting Report 18 April 2019 were circulated.

2. Principles: Purpose and role is to identify a retail model that can be subject of an Expression of Interest to potential operators.

3. Investigation of retail models:
   Cooperative e.g. CRC/Café/Post Office, Perenjori; Shire owned premises e.g. Carnamah Fuel Station and Community run e.g. Coorow Hotel that receives economic benefits from paddock.
   Key issue is how interest is maintained long-term.
   The Committee seeks contact details and report on above and similar operations such as Beacon.
   Commercial: Where site is utilised or leased by an owner for use with a payment.

4. Location of Supermarket in Perenjori:
   Preferred location is in current CBD.
   Note that Roadhouse has increased range of groceries to include additional fruit/groceries. This is outside CBD – second option.
   Preferred location would be identified by line on map in EoI.

5. Financial matters:
   On-line shopping: Consider growth an inevitable factor in retailing – needs to be recognised in business case/EoI.
   Shire/ Progress Assoc. (potentially $32k) support: Can include preparation of business case by preferred operator, marketing, local contacts and infrastructure e.g. fridges and other equipment (that involves higher risk).

6. Consultation during initiative: Important to recognise:
   Property owners: Five key sites.
   Potential operators: Need develop list informed by surveys, contacting chains and existing regional operators.
   Community: This was key request at close of Community Meeting.

7. Media: Further contact from regional ABC on progress following Community Meeting – interest to publish when firmer plans in place.

8. Correspondence/meetings – Following initiatives outlined:
Letter received from one property owner seeking loan for integration of community shop into existing business. The work on initiative was recognised but currently premature to address distribution of funding.

Meeting held between regional investor and CEO on supermarket opportunity in CBD – no formal submission to date. Situation to be monitored.

Opportunities for grant funding being explored through discussions with State Government economic development body.

10. Next Meeting: In 2-3 weeks late Thursday afternoon.
