6.1 RESPONSE TO QUESTIONS TAKEN ON NOTICE:

Nil

6.2 QUESTIONS WITHOUT NOTICE:

Question - Dael Sparkman

Dael Sparkman noted that maintenance was occurring at a Government Regional Officers' Housing (GROH) property and queried whether maintenance is being undertaken across all GROH houses or specifically in preparation for new tenants?

Response – Clinton Strugnell

The CEO advised that the Shire has contacted the Department of Education regarding GROH housing matters. It was noted that three GROH houses are currently vacant. At least two of the GROH properties are currently allocated to the Department of Education and remain tied to substantive positions. The Department of Education has advised that those staff will be required to confirm their positions during the year, which may result in the properties becoming available again. These properties may then return to the GROH housing pool for allocation to other government departments as required.

Question - Dael Sparkman

Dael Sparkman queried the status of visiting health services and whether any progress has been made in securing additional services for the community.

Response – Chief Executive Officer

The CEO advised that a meeting has been requested with WA Country Health to discuss the future of health services. It is anticipated that a community meeting will be held once further information is available.

Additional Information – Shire President

The Shire President advised that the Morawa pharmacist is expected to commence regular visiting services on Tuesday and Thursday mornings to coincide with the doctors visits, which will assist in alleviating the need for residents to travel to Morawa for prescriptions. The pharmacist is in the final stages of completing licensing requirements and anticipates services may commence by late March or early April.

7. Closure of Meeting:

There being no further business, the Shire President thanked those in attendance and declared the meeting closed at 5.12pm.

I certify that this copy of the Minutes is a true and correct record of the meeting held on 12 February 2026.

Signed:
