Attachments:	12.1.1 Monthly Statement of Financial Activity for June 2026

Summary

This item recommends that Council receives the Financial Activity Statements for the periods ending 30 June 2026.

Background

Regulation 34 of the Local Government (Financial Management) Regulations 1996 requires local governments to prepare a Monthly Statement of Financial Activity.

Recent changes to the Regulations require a focus on reporting and variance analysis by nature and type rather than by program. The Shire's reports have historically been prepared by both nature and type and program with the variance analysis done by program. All reports for 2025-26 to date have been prepared by both nature and type and program, but with the variance analysis being done by nature and type in compliance with the revised Regulations.

Statutory Environment

Regulation 34 of the Local Government (Financial Management) Regulations 1996 requires local governments to prepare a Monthly Statement of Financial Activity.

Goal 4: A strong and diverse Council working closely with the proactive and involved community.

Strategic Objectives

4.6. The organisation, assets and finances of the Shire are managed responsibly

Officer Comment

The audited opening surplus for the 2025-26 financial year was \$3,010,531. As previously advised, this surplus is notionally deceiving as the State Government transferred 50% of its 2025-26 financial assistance grants (totalling \$1.570m) to the Shire in June 2025.

Operating revenue YTD is \$10,784,568 over budget by \$3,323,370

Operating expenditure YTD is \$11,313,677 under budget by \$1,106,278

Key variances between the YTD budget and actuals are explained in the attached report on pages 2-3.

It is to be noted that the June financials are not yet completed as depreciation, allocations and accruals have not yet been finalised for the end of financial year. June financials remain open until the finalisation of the year end audit.

The budget includes the closure of two reserve accounts. The Water Reserve where all funds including any interest earned will be transferred to the Community Infrastructure Reserve and the Mt Gibson Reserve all funds remaining at the end of 26/27 year will be transferred to the Community Infrastructure Reserve.

The letter of approval from the Minister for Local Government for the approval of the Differential Rates 2026/27 has been received on 15 July 2026

Summary

The purpose of this item is for Council to endorse arrangements for Wildflower Country Incorporated to recommence operating.

Background

Wildflower Country is an incorporated body comprising membership of nine local governments, being Carnamah, Coorow, Dalwallinu, Mingenew, Moora, Morawa, Perenjori, Three Springs and Greater Geraldton. The objectives of the Association are ;

1. To collectively promote and develop tourism in the local government areas of Carnamah, Coorow, Dalwallinu, Mingenew, Moora, Morawa, Perenjori, Three Springs and Greater Geraldton.
2. To promote and develop Wildflower Country's iconic tourism experiences.
3. To make Wildflower Country a preferred tourism experience destination in Western Australia.
4. To develop and implement strategies to increase tourism for the overall benefit of Wildflower Country.

Wildflower Country has been inactive since around late 2021. An Annual General Meeting was held on July 3rd 2026 to determine if the incorporation should be wound up or if enough members wished to recommence the Associations operations. Indications from the AGM are that the City of Geraldton and the Shire of Moora intend to withdraw from the Association whilst the Shires of Carnamah, Coorow, Dalwallinu, Mingenew, Morawa, Three Springs and Perenjori have indicated a willingness to continue subject to their respective Councils endorsement and the structure of the Association being more reflective of the North Midlands.

Statutory Environment

Wildflower Country is an incorporated body with a constitution.

Wildflower Country member local governments

Financial Implications

At the Annual General Meeting of July 3rd, 2026, it was agreed that there would be no member fees for the first 12 months of Wildflower Country's operations. The Association currently holds approximately \$70,000 which is considered adequate to fund operations for the first year.

Strategic Community Plan

- 3.1. Opportunities are maximised to promote economic growth and local development
- 3.2. Visitors are welcomed and well-catered for

Officer Comment

Based on the discussions at the Wildflower Country Annual General Meeting it is likely that the original North Midlands local governments that formed the Association will remain as members and endeavour to focus the Association on its core objectives.

Consultants 150 Square have produced a Draft Workplan for the Association that establishes priorities for the first 12 months of operations. These priorities are consistent with the Associations objectives and support the Shire of Perenjori's desire to re-invigorate marketing and promotion of the Shire and region. The Association holds sufficient funds to implement the Draft Workplan and as such it is likely new member funds will not be required until 2027/2028.

Background

In December 2023 the Shire of Perenjori entered into a 12-month Road User Agreement with Terra Mining to allow the carting of bulk magnetite iron ore from the Extension Hill mine site to the Perenjori townsite. The agreement provided for Terra Mining to use Wanarra East Road, Wanarra Road and Perenjori – Rothsay Road whilst meeting the associated maintenance costs of those roads.

At the time of entering into the initial agreement Terra Mining advised of their intent to secure access to the Perenjori rail siding and transport product via train from Perenjori to the Geraldton port. To date Terra Mining have not been able to secure access to the rail siding and have been transporting magnetite via truck to the Geraldton port under a Community Goods Vehicle License (CVGL) issued by the Minister for Transport.

The Road User Agreement has been subject to four extensions since its inception. The Agreement was allowed to expire on June 30th, 2026, as Terra Mining had ceased haulage to Geraldton Port due to their storage shed being unavailable. In addition, Council considered a request in April 2026 to refund the bank guarantee required under clause 5.1 of the Agreement. In relation to that request Council resolved as follows ;

COUNCIL DECISION

Council Resolution Number: 230426.17	
Moved: Cr Bradford	Seconded: Cr Campbell
That Council:	
1.	Agree to the lifting of the bank guarantee requirements under the Terra Mining Pty Ltd Road User Agreement for the duration of the suspension of ore haulage.
2.	Advise Terra Mining Pty Ltd the bank guarantee must be reinstated prior to ore haulage occurring.
3.	Advise Terra Mining Pty Ltd that all costs associated with the lifting and reinstatement of the bank guarantee must be met by Terra Mining Pty Ltd.

Financial Implications

The current road agreement places the costs associated with maintaining the road to an acceptable standard with Terra Mining while they are operating and utilising the affected roads.

The current agreement also includes the provision for a community infrastructure fund contribution per tonne of product from the mining operations.

Strategic Community Plan

Goal 2: Eco-friendly, attractive and well-maintained towns, surrounded by outstanding natural beauty, landscapes, flora and fauna to be protected and enjoyed.

2.6. Roads, footpaths and drainage are appropriately managed according to their need and use.

Goal 4: A strong and diverse Council working closely with the proactive and involved community.

4.3. The Shire advocates and partners effectively on behalf of the community.

4.6. The organisation, assets and finances of the Shire are managed responsibly.

Officer Comment

Terra Mining have advised that their shed at the Geraldton Port is likely to be available for use from August 2026. Terra expects to be able to recommence haulage to the port at this time and have requested that the Road User Agreement be reinstated.

In order to have the Road User Agreement reinstated Terra will need to provide the bank guarantee as stipulated in clause 5.1 of the Agreement.

Summary

For Council to consider endorsement of the 2022-2032 Strategic Community Plan/Corporate Business Plan (Council Plan) quarterly report.

Background

Council adopted the Strategic Community Plan and Corporate Business Plan (Council Plan) at the August 2022 Ordinary Council Meeting.

Section 5.56(1) of the *Local Government Act 1995* requires all local governments to have a plan for the future of the district, and under the Local Government (Administration) Regulations 1996, all local governments are required to have adopted two key documents – a Strategic Community Plan and a Corporate Business Plan. Together these documents drive the development of the local government's budget.

The Integrated Planning and Reporting Framework and Operational Guidelines (2016) issued the Department of Local Government, Sport and Cultural Industries (DLGSC), which guide the Strategic Community Plan and Corporate Business Plan process, require that regular monitoring and reporting of these plans are undertaken. Quarterly updates form part of this key reporting process.

Statutory Environment

Local Government Act 1995 s5.56:

5.56 Planning for the future

(1) A local government is to plan for the future of the district.

(2) A local government is to ensure that plans made under subsection (1) are in accordance with any regulations made about planning for the future of the district.

Deputy Chief Bush Fire Control Officer	Phil Page
Fire Control Officers & Permit Issuing Officers	Phil Page Jason King Brian Campbell Clinton Strugnell (CEO) Maarten Noordhof (MIS) Rick Ryan (CESM)

Statutory Environment

Section 38 (1) of the *Bush Fires Act 1954* states as follows

A local government may from time to time appoint such persons as it thinks necessary to be its bush fire control officers under and for the purposes of this Act, and of those officers shall subject to section 38A(2) appoint 2 as the Chief Bush Fire Control Officer and the Deputy Chief Bush Fire Control Officer who shall be first and second in seniority of those officers, and subject thereto may determine the respective seniority of the other bush fire control officers appointed by it.

(h) A fire weather officer of an approved local government, or a deputy of that fire weather officer while acting in the place of that officer, may authorise a person who has received a permit under section 18(6)(a), to burn the bush in the district of the local government notwithstanding that for any day, or any period of a day, specified in the notice the fire danger forecast issued by the Bureau of Meteorology in Perth, in respect to the locality where the bush proposed to be burnt is situated, is "extreme" or "very high", and upon the authority being given the person, if he has
