Attachments:	12.1.1 - Monthly Statement of Financial Activity for 30 June 2025

Summary

This item recommends that Council receives the Financial Activity Statements for the periods ending 30 June 2025.

Background

Regulation 34 of the Local Government (Financial Management) Regulations 1996 requires local governments to prepare a Monthly Statement of Financial Activity.

Recent changes to the Regulations require a focus on reporting and variance analysis by nature and type rather than by program. The Shire's reports have historically been prepared by both nature and type and program with the variance analysis done by program. All reports for 2024-25 to date have been prepared by both nature and type and program, but with the variance analysis being done by nature and type in compliance with the revised Regulations.

Statutory Environment

Regulation 34 of the Local Government (Financial Management) Regulations 1996 requires local governments to prepare a Monthly Statement of Financial Activity.

Officer Comment

The audited opening surplus for the 2024-25 financial year is \$3,170,411. As previously advised, this surplus is notionally deceiving as the State Government transferred 85% of its 2024-25 financial assistance grants (totalling \$2.496m) to the Shire in June 2024.

Operating revenue YTD is \$9,116,231 over YTD budget by \$1,783,157.

Operating expenditure YTD is \$12,220,845 under YTD budget by \$1,516,815.

Key variances between the YTD budget and actuals are explained in the attached report on pages 2-3.

It is to be noted that the June financials are not yet completed as depreciation, allocations and accruals have not yet been finalised for the end of financial year. June financials remain open until the finalisation of the year end audit.

12.3 ENTERPRISE RESOURCES PLANNING (ERP) SOFTWARE PROPOSAL

Applicant:	Shire of Perenjori

Date:	24 July 2025

Voting Requirements:	Absolute Majority
Author:	Nola Comerford – Manager Corporate and Community Services
Responsible Officer:	Paul Anderson – Chief Executive Officer

Summary

For Council to consider proposals for an Enterprise Resources Planning (ERP) suite and ongoing annual licence fees.

Background

The Shire of Perenjori currently utilises corporate software, Synergy Soft, previously supplied by IT Vision and recently taken up by ReadyTech. The purpose of the change in software is that the current system has severe limitations in functionality and is scheduled for expiry by 2030, utilising the existing with nil upgrades.

The MCCS and Finance Manager have attended presentations of three separate ERP providers to ascertain the best ERP system in terms of value for money, functionality, customer support, and implementation plans.

Presentations and quotes were provided from the following providers:

- Council First
- Magiq Software
- ReadyTech

All three providers are included in the WALGA Preferred Supplier Directory and, as such, are exempt from the \$250,000 tender threshold as per Council Policy No. 4007 (*Clause 1.4.2*).

Statutory Environment

Local Government Act 1995

Policy Implications

Policy No. 4007 – Purchasing Policy

1.4.2 Table of Purchasing Thresholds and Practices

(1) Supplier Order of Priority

The Shire will consider and apply, where applicable, the following Supplier Order of Priority:

Priority 1:	Existing Prequalified Supplier Panel or other Contract Current contracts, including a Panel of Prequalified Suppliers or contracted supplier, must be used where the Shire's supply requirements can be met through the existing contract. If the Shire does not have a current contract relevant to the required supply, then a relevant WALGA PSA is to be used.
Priority 2:	Local Suppliers Where the Purchasing Value does not exceed the tender threshold and a relevant local supplier is capable of providing the required supply, the Shire will ensure that wherever possible quotations are obtained from local suppliers permanently located within the District as a priority, and those permanently located within surrounding Districts as the second priority. If no relevant local supplier is available, then a relevant WALGA PSA may be used.
Priority 3:	Tender Exempt - WALGA Preferred Supplier Arrangement (PSA) Use a relevant WALGA PSA regardless of whether or not the Purchasing Value will exceed the tender threshold.

	<p>However, if a relevant PSA exists but an alternative supplier is considered to provide best value, then the CEO, or an officer authorised by the CEO, must approve the alternative supplier. Reasons for not using a PSA may include:</p> <ul style="list-style-type: none"> i. Local supplier availability (that are not within the PSA); or, ii. Social procurement – preference to use Aboriginal business or Disability Enterprise. <p>If no relevant WALGA PSA is available, then a relevant State Government CUA may be used.</p>
Priority 4:	<p>Tender Exempt - WA State Government Common Use Arrangement (CUA)</p> <p>Use a relevant CUA regardless of whether or not the Purchasing Value will exceed the tender threshold.</p> <p>However, if a relevant CUA exists, but an alternative supplier is considered to provide best value for money, then the proposed alternative supplier must be approved by the CEO, or an officer authorised by the CEO.</p> <p>If no relevant CUA is available, then a Tender Exempt <i>[F&G Reg. 11(2)]</i> arrangement may be used.</p>
Priority 5:	<p>Other Tender Exempt arrangement <i>[F&G Reg. 11(2)]</i></p> <p>Regardless of whether or not the Purchasing Value will exceed the tender threshold, the Shire will investigate and seek quotations from tender exempt suppliers, and will specifically ensure that wherever possible quotations are obtained from a WA Disability Enterprise and / or an Aboriginal Owned Business that is capable of providing the required supply.</p>
Priority 6:	<p><u>Other Suppliers</u></p> <p>Where there is no relevant existing contract or tender exempt arrangement available, purchasing activity from any other supplier is to be in accordance with relevant Purchasing Value Threshold and Purchasing Practice specified in the table below.</p>

Strategic Community Plan

Goal 4: A strong and diverse Council working closely with the proactive and involved community.

4.6. The organisation, assets and finances of the Shire are managed responsibly.

Financial Implications

Council have budgeted \$75,000 over the past two financial years for implementation of payroll software through SynergySoft-adjacent program, Altus. However, due to supplier changeover from IT Vision to ReadyTech and the uncertainty of the future of SynergySoft and the software supply, purchase of this software was put on hold. Altus has since been discontinued. Council currently pays annual SynergySoft charges of \$47,000.

Of the total implementation budget of \$153,425, \$53,425 is required for the 2025/26 annual budget, with remaining payments scheduled for 2026/27 (\$70,000) and 2027/28 (\$30,000).

Following is the implementation pricing summary and proposed payment schedule:

- Annual Licence Fee
 - \$53,425 payable on commencement of migration
- Implementation fees
 - \$53,425 payable on commencement of migration
 - \$70,000 payable 1 July 2026
 - \$30,000 payable 1 July 2027

Council has anticipated 2024/25 closing IT reserves of \$310,405.

Officer Comment

Presentations of software systems were delivered by the following suppliers, with the table below showing a comparison of inclusions in the software. It should be noted that Magiq Software are the only supplier with a full range of services. Council First and ReadyTech have modules or part modules that require delivery from other suppliers.

12.4 REQUEST FOR FINANCIAL SUPPORT – CARNAMAH/PERENJORI FOOTBALL CLUB JUNIOR GOALS

Applicant:	Carnamah/Perenjori Football Club
File:	ADM 0638
Date:	24 July 2025
Disclosure of Interest:	Cr Bradford – Impartiality Interest
Voting Requirements:	Absolute Majority
Author:	Marty Noordhof – Manager Infrastructure Services
Responsible Officer:	Paul Anderson – Chief Executive Officer
Attachments:	12.4.1 – Quote for Goal Posts 12.4.2 – Design Drawing of Goal Posts and Footings

Summary

This item seeks Council's consideration of a funding request from the Carnamah/Perenjori Football Club to replace the junior goal posts at Perenjori Oval following a recent safety incident.

Background

The Carnamah/Perenjori Football Club, on behalf of the Nippers Coach Daniel Bradford, has submitted a request for financial assistance to replace the existing nipper goal posts at the Perenjori Oval. The request follows a recent incident on 28 June 2025, during which a young nipper player was struck on the head by a falling goal post. While the injury was minor, the event has raised safety concerns regarding the stability and suitability of the current equipment.

Statutory Environment

Local Government Act 1995 (WA)

- *Section 2.7 – Role of the Council:* Includes responsibility for determining local government policies, including the allocation of financial resources to community initiatives and infrastructure.
- *Section 3.1 – General Function:* Empowers the local government to provide for the good governance of the district, which includes supporting community groups and ensuring the safety of public infrastructure.
- *Section 6.8 – Expenditure from Municipal Fund:* Requires that any expenditure not included in the adopted annual budget be authorised by absolute majority or be included in a budget amendment.

Occupational Safety and Health Act 1984 (WA) / Work Health and Safety Act 2020 (WA)

- Although the Football Club is the immediate operator, the Shire may share some responsibility in ensuring safe use of public spaces and facilities, including sportsgrounds. The incident involving the falling goal post raises considerations under duty of care principles.

Civil Liability Act 2002 (WA)

- Addresses the duty of care owed by occupiers of public land (including the Shire) and could be relevant in cases of injury resulting from unsafe or poorly maintained facilities.

Australian Standards (AS 4866.1 and AS 4866.2) – Playing Field Equipment – Football Goal Posts

- While not legislation, compliance with relevant Australian Standards for the design, installation, and maintenance of sporting equipment would be expected as part of a responsible risk management approach.

Policy Implications

Policy 1011 – Donations and Grants

Consultation

Adim Hajat - Community Development Officer

Ally Bryant- Finance Manager

Daniel Bradford – Nippers Coach

Tim McKenzie – Secretary Carnamah/Perenjori football Club

Financial Implications

This request represents unbudgeted expenditure for the 2025–2026 financial year. Should Council resolve to support the purchase of the new goal posts, either in full or in part, it is recommended that funds be sourced from the Youth Activities Account, given the direct benefit to junior sport and community youth engagement.

The cost of the Goal posts from Bardfield Engineering is \$4300 + GST, with installation NOT included. (See attached quote)

Strategic Community Plan

Goal 1: An inclusive community and a great place to live for all ages and stages of life

1.2. Community life is enhanced and nurtured with well supported clubs, community groups, and essential volunteer-based services

Officer Comment

The club proposes to upgrade to a new set of removable nipper goal posts, consistent with those used by other clubs in the North Midlands Football League (NMFL). These posts are designed to be safely inserted and removed on game days, reducing the risk of future incidents.

The club is seeking financial support from the Shire to assist with the purchase and installation of the new goal posts.

Considerations:

- Enhances player safety, particularly for young children
- Minimises risk of injury and potential liability
- Supports community sport and youth participation

The Council recommended that they invite community members to discuss Latham Hall which was held at the Latham Community Centre on the 13 February 2025. The responses at the community meeting were received and recorded.

Shire of Perenjori

Perenjori WA 6620.

Dear Paul (CEO), Jude, and Councillors.

Re the Latham Hall.

I am against the Latham Hall being Demolished and would like some answers to why the hall has not been maintained so it is usable. Clearly

with the lack of maintenance, it will deteriorate. What have the building inspection committee been doing?

From the meeting in February, the report of \$75,000 was listed for maintenance to the hall, this was reported as transferred to another project. Was there an allowance made in the following years Budget to replace these funds so some funding is available (budgeted for) to carry out maintenance.

With the added cost of the maintenance required at present--

I/we would like to apply for the funds from The Mount Gibson Benefit Fund, held in the Shire for Community Projects be directed to Restore the Latham Hall to a usable condition, so when the need arises the Latham people can have a venue of size to use. Latham after all is part of the Perenjori Shire and deserve the same degree of services as other parts of the shire.

Thank you for considering this and thank you for your time.

Regards

*Elaine King
Maureen MacManus
Kerry Foote (Past Resident)*

Summary

For Council to consider endorsement of the Strategic Community Plan/Corporate Business Plan (Council Plan) quarterly report.

Background

Council adopted the Strategic Community Plan and Corporate Business Plan (Council Plan) at the August 2022 Ordinary Council Meeting.

Section 5.56(1) of the *Local Government Act 1995* requires all local governments to have a plan for the future of the district, and under the Local Government (Administration) Regulations 1996, all local governments are required to have adopted two key documents – a Strategic Community Plan and a Corporate Business Plan. Together these documents drive the development of the local government's budget.

The Integrated Planning and Reporting Framework and Operational Guidelines (2016) issued the Department of Local Government, Sport and Cultural Industries (DLGSC), which guide the Strategic Community Plan and Corporate Business Plan process, require that regular monitoring and reporting of these plans are undertaken. Quarterly updates form part of this key reporting process.

Statutory Environment

Local Government Act 1995 s5.56:

5.56 Planning for the future

(1) A local government is to plan for the future of the district.

(2) A local government is to ensure that plans made under subsection (1) are in accordance with any regulations made about planning for the future of the district.

Summary

This item seeks Councils' recommendation and provide input to Main Roads WA on an application received on behalf Saltbush Contracting wanting to operate Tri Drive AB triple and Tri Drive PBS A triple road trains on the section of Mullewa-Wubin Rd Between Perenjori-Rothsay Road and the Shire boundary to the North.

Background

Main Roads WA has received an application from Saltbush Contracting requesting to operate Tri Drive AB Triples (TD4.3) and PBS A Triple combinations (TD3B.3) on Mullewa-Wubin Road, from Perenjori-Rothsay Road to the northern Shire boundary.

As the proposed vehicles exceed the current mass and length of approved combinations, Main Roads has requested input from the Shire regarding potential impacts on road condition, safety, and community amenity before making a determination.

4.3 The shire advocates and partners effectively on behalf of the community.

Officer Comment

An application has been submitted by Saltbush Contracting seeking approval to operate both Tri Drive AB Triples (C-Trains) and Short A Triple combinations through the Perenjori townsite on the Mullewa–Wubin Road.

The TD4.3 combination (below) is functionally similar to existing configurations currently in operation, with the primary variation being the use of a Tri Drive prime mover in place of the existing Tandem Drive. These combinations have an overall length of 36.5 metres and a gross vehicle mass of approximately 124 tonnes in a single steer configuration—an increase of approximately 6 tonnes over current combinations.

The PBS TD3B.3 combination (below) is significantly larger, with an overall length of 42 metres and a gross mass of 147.5 tonnes in a single steer configuration, representing an increase of 29.5 tonnes compared to current approved configurations.

These combinations are proposed to operate along routes that include the Perenjori townsite, and while the relevant Shire roads are already approved for both vehicle classes, the proposed increase in mass and length introduces several key considerations:

Considerations:

- Increased length and mass of vehicles travelling through the Perenjori townsite.
- Potential for a reduction in overall vehicle movements due to increased payload capacity.
- Likely increase in transverse forces at intersections Particularly the Mullewa-Wubin Road and Perenjori-Rothsay Road, during turning movements, which may accelerate pavement wear.

It is important to note that while this feedback forms part of the assessment process, the final decision to approve or decline the application rests with Main Roads Western Australia (MRWA) and may not necessarily align with the recommendation provided.

This item recommends that the following individuals be endorsed:

POSITION	NAME
Chief Bush Fire Control Officer	Jason King
Deputy Chief Bush Fire Control Officer	Phil Page
Fire Control Officers & Permit Issuing Officers	Phil Page Jason King Brian Campbell Chief Executive Officer Maarten Noordhof (MIS) Rick Ryan (CESM)

Statutory Environment

Section 38 (1) of the *Bush Fires Act 1954* states as follows

A local government may from time to time appoint such persons as it thinks necessary to be its bush fire control officers under and for the purposes of this Act, and of those officers shall subject to section 38A(2) appoint 2 as the Chief Bush Fire Control Officer and the Deputy Chief Bush Fire Control Officer who shall be first and second in seniority of those officers, and subject thereto may determine the respective seniority of the other bush fire control officers appointed by it.

(c) An approved local government may appoint to the office of fire weather officer such number of senior bush fire control officers as it thinks necessary.

(h) A fire weather officer of an approved local government, or a deputy of that fire weather officer while acting in the place of that officer, may authorise a person who has received a permit under section 18(6)(a), to burn the bush in the district of the local government notwithstanding that for any day, or any period of a day, specified in the notice the fire danger forecast issued by the Bureau of Meteorology in Perth, in respect to the locality where the bush proposed to be burnt is situated, is "extreme" or "very high", and upon the authority being given the person, if he has otherwise complied with the conditions prescribed for the purposes of section 18, may burn the bush. Strategic Community Plan

Goal 1: An inclusive community and a great place to live for all ages and stages of life

1.9. Emergency management and associated community liaison and education activities are undertaken to protect the community and minimise harm from disasters

Officer Comment

Perenjori does not have a fire weather officer as this is a Government Gazetted position. The purpose of a Fire Weather Officer is to validate fire permits if the weather/FDI is lower than what has been predicted by BOM.

The CBFCO, CESM or the CEO has the role of instigating a Harvest & Vehicle Movement Ban; the CBFCO & CESM will monitor the weather and review with the other FCOs. If there is a need to impose a HVMB the Shire will be advised to send out a notice to impose a HVMB.

Paul Anderson will serve as Chief Executive Officer until 31 July 2025. From 4 August 2025, Clinton Strugnell will commence as CEO. As this role includes functions as a Fire Control Officer and Permit Issuing Officer, these responsibilities will continue with the incoming CEO. Appropriate induction will be provided, coordinated by the CESM.

4.6. The organisation, assets and finances of the Shire are managed responsibly.

Officer Comment

The budget includes rate revenue increase of 4% for the 2025/26 financial year. It should be noted that whilst the total rates raised will increase by 4% there has also been a reduction in the discount for early payment of rates from the 7.5% to 5%. Individual property results may vary as a result of changes to valuations. The Nett yield will also vary dependent upon the take-up of the discount offered by Council for early payment of rates.

There has been one change to the adopted draft Fees and Charges with the addition of a fee to hire the sign board. This fee is to be \$132 per day or \$99 per day for 5 days or more.

The *Local Government Act 1995* requires that the Annual Budget is prepared and adopted no later than 31 August each financial year.

Strategic Community Plan

Goal 4: A strong and diverse Council working closely with the proactive and involved community

4.1. The community is well-informed and engaged

4.6. The organisation, assets and finances of the Shire are managed responsibly

Officer Comment

The one finding raised by the Auditors is as follows:

- Credit card purchase request form not authorised by two authorising officers.

Recommendation to reduce risk: Management should ensure that the Shire's use of credit card policy and purchasing processes are strictly adhered to

The finding was of a minor nature and has no potential impact on the audit opinion

Management Actions – As soon as management was advised of the finding a new form and process was developed with clear concise instructions for staff to follow so as to prevent this error occurring again.

The results of the interim audit overall were very pleasing and continues the shires excellent results from prior years.
